About this Booklet

This booklet, together with your identification card, contains important information about your group benefits coverage. You should keep them in a safe place for future reference.

This booklet summarizes the important features of your group benefits coverage. It is prepared as information only, and does not, in itself, constitute an agreement. The exact terms and conditions of your group benefits coverage are described in the group policy held by your benefits plan administrator. In the event of a difference of wording of the group policy, the group policy will prevail, to the extent permitted by law.

Your booklet is divided into the following sections:

- **Summary of Benefits:** Outlines the main features of each benefit. It is important to read your Summary of Benefits along with the benefit details to ensure you fully understand your benefit coverage.
- **Coverage Details:** Contains important information regarding the eligibility requirements for your group benefits coverage. This includes when your coverage begins and ends, plus other useful information to help you take advantage of the coverage available to you.
- **Rights and Responsibilities under the Policy:** Outlines your responsibilities under the group policy (such as your responsibility to notify your benefits plan administrator upon change in status) and your rights (for example your right to privacy).
- **How to Submit a Claim and Obtain More Information:** Provides additional information on how you can submit claims and obtain more information regarding your coverage.
- **Helpful Tips:** Throughout this booklet we provide useful tips to help you better understand and get the most out of your group benefits.

- meets one of the following criteria:
 - is legally married to the Member;
 - is in a civil union with the Member as defined by the Civil Code of Quebec; or
 - has been living with the Member in a conjugal relationship for at least 1 year; however, where required by provincial legislation, this 1 year period is waived if a child is born of such relationship.

The Spouse must be designated by the Member on their application for coverage. Only one person may be covered as a Spouse at any one time.

Child: A person who:

- is a resident of Canada;
- is the natural or adopted child of the Member or Spouse, or the child over whom the Member or Spouse has been appointed as guardian with parental authority;

A child is considered to be mentally or physically disabled for the purposes of this definition if they are incapable of engaging in any substantially gainful activity and are financially reliant on the Member or Spouse for care, maintenance and support due to this disability. Blue Cross may require the provision of written proof of a child's disability as often as is reasonably necessary.

Do I Need to Supply Proof of Health to Obtain Coverage?

You generally do not need to provide proof of health to obtain group benefits coverage. However, proof of health must be submitted if your application is received by Blue Cross more than 31 days after the date upon which you or your Dependent became eligible for coverage, with the following exceptions:

- late applicants for dental benefits (if applicable) do not need to submit proof of health (instead their maximum benefit is limited to \$250 for the first consecutive 12 months of coverage); and
- Quebec Participants who are late in applying for drug benefits do not need to submit proof of health for drug coverage.

Helpful Tip

Proof of health refers to statements or medical evidence about your health or the health of your Dependents.

How do I Enrol for Coverage?

Application Form

To obtain coverage, you must submit a completed and signed application, and submit proof of health, if required for the reason listed above.

The application must be received by Blue Cross within 31 days of the date you or your Dependent become eligible for coverage.

Helpful Tip

If you do not enrol for coverage within 31 days of eligibility, you may be restricted when applying for benefits and your benefit levels may be reduced.

Can I Opt Out of Coverage for Certain Benefits?

You are not allowed to individually select the benefits you want under the policy. In addition, when you enrol for coverage you must also enrol all of your eligible Dependents. You are allowed to waive the health benefits coverage for yourself or your Dependents if you or your Dependents already have similar coverage under another group policy. In this case, you or your Dependents will again be eligible for health benefits if you experience a Life Event, subject to proof of health if required.

Helpful Tip

Health benefits may include: drug benefits, extended health care, dental benefits and travel benefits.

When Does My Coverage Begin?

Students

Your coverage takes effect on the latest of the following dates:

- the effective date of the policy;
- the date you meet all of the eligibility requirements; or
- the date Blue Cross approves your proof of health, if required.

Dependents

Your Dependent's coverage takes effect on the latest of the following dates:

- the date you become eligible for coverage;
- the date they meet all of the eligibility requirements;
- the date Blue Cross approves their proof of health, if required; or
- the date following their discharge from hospital if they were hospitalized on the date they would have become eligible for coverage, unless:
 - they were covered under a Previous Policy, in which case their coverage begins on the effective date of the policy; or
 - they were born while this coverage is in force, in which case their coverage will be effective from their live birth.

Helpful Tip

Previous Policy refers to a group insurance policy that provided coverage for you and your Dependents, and terminated within 31 days of the effective date of this group policy.

When Does My Coverage End?

Coverage ends on the earliest of the date:

- the policy terminates;
- you or your Dependents no longer meet one or more of the eligibility requirements;
- your Spouse no longer meets the definition of Spouse;
- your Child no longer meets the definition of Child;
- you or your Dependents reach the termination age or termination date, if any, specified in the Summary of Benefits;
- you retire, unless otherwise specified in the Summary of Benefits;
- you die;
- you or your Dependents commit a fraudulent act against Blue Cross; or
- the policyholder defaults in payment of premiums.

Coverage for your Dependents will also terminate on the date your coverage terminates.

No coverage will be provided to you or your Dependents while performing duties as an active member in the armed forces of any country, unless coverage must be retained under applicable provincial legislation.

What Happens When Coverage Ends?

Right to Convert to Individual Coverage

Upon termination of coverage for certain benefits, you and your Dependents have the right to convert your group benefits coverage to an individual insurance policy, provided certain criteria are met.

The benefit details will specify if this conversion right applies to a particular benefit.

When conversion is available, the following terms and conditions apply:

- You must, within 31 days of the date of termination of your group coverage:
 - submit the application form provided by Blue Cross for the purpose of conversion to individual coverage; and
 - pay the entire amount of the first month's premium of the individual policy, in accordance with the method of payment stipulated by Blue Cross;
- the individual policy will be issued without requiring proof of health;
- the premium for the individual policy is based upon the individual policy rates in effect on the date of application;
- the individual policy is subject to any maximum and minimum values or other additional terms and conditions that are specified in the *Right to Convert to Individual Coverage* provision of the applicable benefit.

Survivor Coverage

In the event of your death, coverage for your Dependents will continue without payment of premiums for certain benefits, if specified in the Summary of Benefits.

Survivor Coverage for your Dependents will terminate on the earliest of the following dates:

- the group policy termination date;
- the date the maximum Survivor Coverage period has been reached, as specified in the Summary of Benefits;
- the date your Dependents obtains similar coverage under another plan; or

Helpful Tip

The benefit of converting your group coverage is that you do so without having to provide proof of health.

Conversion premium rates will typically be higher than group premium rates currently paid.

Instead of converting your group coverage, you may prefer to apply for an individual plan, which will require Proof of Health.

- the date your Dependents are no longer considered to be eligible Dependents (for reasons other than your death).

What if I Have Coverage Elsewhere?

With the exception of the travel benefits provided under the travel benefit section of this booklet, Blue Cross will co-ordinate your group benefits coverage with other health plans when similar coverage is available. The co-ordination of benefits process helps ensure you get the most out of your coverage. It means you can receive up to, but no more than, 100% reimbursement for Eligible Expenses.

Government Health Care Coverage

Blue Cross will not pay for any health care services or supplies available under government health care coverage, or administered by government funded hospitals, agencies or providers. Blue Cross will only consider Eligible Expenses in excess of those provided under government health care coverage.

Other Health Plans

Do you take advantage of coverage under the other benefit plans available to you, such as your Spouse's? If not, you may be missing out on possible reimbursement of up to 100% of Eligible Expenses.

Blue Cross applies co-ordination of benefits according to the guidelines of the Canadian Life and Health Insurance Association Inc. (CLHIA). Here are the general rules:

Expenses for Yourself:

- You must first submit expenses incurred to this plan (where you are covered as a Member). The balance that has not been paid by this plan (if any) can then be submitted to the other plan where you are covered as a dependent (for example your Spouse's plan).
- If you are covered as a member under more than one group benefit plan, the plan that has covered you the longest pays first.

Expenses for Your Spouse:

- Your Spouse must submit any expenses incurred for themselves to their own group benefit plan (if any) first. The balance that is not paid by their plan (if any) can then be submitted to this plan.

Expenses for Your Child:

- If a Child is covered as a dependent by both you and your Spouse, you should submit their claim to the plan of the parent whose birthday comes first in the year.
- In the event of divorce or separation, the plan of the parent with whom the Child resides (the plan of the parent with custody of the Child) pays first.

Helpful Tip

Blue Cross will help direct you to existing **government programs** whenever possible.

Helpful Tip

The types of other plans that are potentially subject to co-ordination of benefits include any form of group, individual, family, creditor or saving insurance coverage that provides reimbursement for medical treatment, services or supplies.

Helpful Tip

Plan Management Features

Substitution Provision

If the Summary of Benefits specifies Substitution Provision applies and an Interchangeable Drug has been prescribed, Blue Cross will reimburse to the lowest ingredient cost Interchangeable Drug. In the case of biologic drugs, Blue Cross reserves the right to reimburse to a less expensive biosimilar drug.

Participants may request a higher cost Interchangeable Drug; however, they will be responsible for paying the difference in cost between the Interchangeable Drugs.

Mandatory Generic Substitution:

Regardless of whether the Participant's physician indicates the prescribed Interchangeable Drug cannot be substituted, Blue Cross will only reimburse to the lowest ingredient cost Interchangeable Drug.

For Participants with an adverse reaction to the Interchangeable Drug dispensed, Blue Cross will consider reimbursement to another Interchangeable Drug on a case by case basis only through the Prior Authorization process.

Pharmacy Partners – Preferred Network

If the Summary of Benefits specifies a Preferred Pharmacy Network applies, Blue Cross will only reimburse Eligible Drugs at the higher reimbursement level when they are dispensed from the Preferred Pharmacy specified in the Summary of Benefits. Eligible Drugs dispensed from a pharmacy outside of the Preferred Pharmacy Network are reimbursed at the lower reimbursement level specified in the Summary of Benefits.

Payment of Claims

How Payments are Made

The Summary of Benefits specifies the Method of Payment that applies to Participants under the group policy.

Pay Direct: At the time of purchase, the Approved Provider will submit the Participant's claim to Blue Cross electronically to verify eligibility. The Participant will pay the Approved Provider only the portion of the claim that is not covered by this benefit. Blue Cross will reimburse the balance of the claim to the Approved Provider directly.

If the Participant submits to Blue Cross a paid-in-full prescription drug receipt, despite the fact pay direct was offered, Blue Cross will only reimburse the amount that would have been paid to the Approved Provider if the claim had been submitted electronically.

Helpful Tip

A generic drug and its brand name equivalent are considered to be Interchangeable Drugs. Health Canada imposes the same standards and tests on generic drugs as it does on brand name drugs. Generic drugs are effective and safe, while often being less expensive.

Helpful Tip

If you have a Pay Direct plan, always have your drugs submitted electronically via the Approved Provider. This will ensure you don't end up paying more out-of-pocket than you should.

Time Limit to Submit a Claim

Blue Cross must receive proof of claim within 12 months of the date the Eligible Expense was incurred.

Right to Convert to Individual Coverage

A Participant who is not a Quebec Participant and who is no longer eligible under this benefit may convert their group coverage to a similar individual drug plan provided by Blue Cross.

Individual policies issued under this conversion option are subject to the terms and conditions specified in the *Right to Convert to Individual Coverage* found under the *Coverage Details* of this booklet.

Quebec Participants who are no longer eligible for drug benefit coverage cannot convert their group drug coverage to an individual plan. If they are not eligible under another group plan, they must contact the Régie de l'assurance maladie du Québec (RAMQ) to obtain coverage from the RAMQ's public drug plan.

Minimum Requirements for Drug Coverage in Quebec

This provision applies to Quebec Participants.

Act Respecting Prescription Drug Insurance

The group policy must be administered in accordance with the *Act Respecting Prescription Drug Insurance* ("the Act") for Quebec Participants, including the Act's provisions about maximum coinsurance, out-of-pocket maximums, eligible drugs, exception drugs and eligible pharmacy services.

Drug Benefit

Under no circumstances will the *Exclusions and Limitations* provision of this benefit render drug benefit coverage for Quebec Participants less generous than the basic prescription drug insurance plan established by the Act.

Out-of-pocket Maximum per Calendar Year

If, in any calendar year, a Member spends more than the maximum contribution amount established by the RAMQ on Eligible Expenses for themselves or their Dependents, the amounts in excess of the maximum contribution amount will be reimbursed by Blue Cross at a rate of 100% until the end of that calendar year. The contribution amount includes the Deductible, amounts in excess of the reimbursement level or co-payment, if applicable.

Participants Age 65 Years and Over

At age 65, a Quebec Participant is automatically registered as a beneficiary of the RAMQ public drug plan. Therefore, on reaching age 65, a Quebec Participant must decide whether to:

- cancel their automatic registration with the RAMQ drug plan in order to continue their coverage under this benefit; or
- accept coverage under the RAMQ public drug plan.

The decision to accept coverage under the RAMQ public drug plan is irrevocable.

Quebec Participants who decide to accept coverage under the RAMQ public drug plan are no longer eligible for coverage under this benefit.

Exception: If the Summary of Benefits specifies this benefit is supplemental to the RAMQ public drug plan coverage, the following expenses are eligible, subject to the Deductible and Reimbursement Level specified in the Summary of Benefits:

- the Deductible and coinsurance paid by the Quebec Participant under the RAMQ public drug plan; and
- reimbursement for any Eligible Drug that is not included in the RAMQ public drug plan but is covered under this benefit.

If the Member decides to join the RAMQ public drug plan, the Member's Dependents must also register with the RAMQ public drug plan.

If a Quebec Participant decides to maintain coverage under this benefit, Blue Cross reserves the right to modify the premium rates applicable to this benefit for any Quebec Participant age 65 and over.

- Application for benefits previously waived

Beneficiary Designations

Reporting Health Insurance Fraud

Health insurance fraud is the intentional act of submitting false, deceiving or misleading information for the purpose of financial gain.

Whether committed on a small or large scale, fraud can lead to significant financial losses to the benefit plan and result in higher premiums and decreased coverage. Blue Cross is committed to protecting the integrity of our benefit programs for our policyholders and members by monitoring and resolving any abusive or fraudulent activity.

Helpful Tip

Your proof of claim must be submitted in either English or French. If the original proof of claim is in a language other than English or French, you are responsible for any costs associated with translating your proof of claim.

Helpful Tip

Health care fraud in Canada is estimated to cost between \$2 billion and \$12 billion annually.

How You Can Help

As a group plan member, you can help eliminate fraudulent abuse of your plan:

- keep your identification card, policy number, member identification number and related information confidential and secure;
- carefully review your receipts for products and services claimed to ensure:
 - you understand the charges billed; and
 - the charges reflect the services received.

If you are unclear about any of the charges on your receipt, ask your provider to explain the charges to you:

- carefully review your Explanation of Benefits claim statements (EOB) for any discrepancies in services received compared to services claimed;
- never sign a blank claim form;
- from time to time, we send member verification questionnaires to confirm treatments and other related information. If you receive one of these questionnaires, please complete it and return it promptly. These questionnaires are essential to our fraud deterrence efforts.
